Summer Term 2

Dear Parents/ Carer,

This week Year 1 children have all completed the statutory phonics check. They all had a very positive attitude towards this task and were happy to have the opportunity off show off the skills that they have learned. Results will be sent home on the children's end of year report card. All children will receive a report card at the end of the year to inform you of your child's end of year attainment, this will be followed by parents evening (so that you will have the opportunity to talk to your child's teacher.

Clean Air Day: Thank you to FOSA for organising wrist bands for all of the children to wear on Clean Air Day. The children enjoyed wearing them for the day.

Y6 maths games: This week Year 6 pupils designed and made maths games for Year 2. They looked at the end of year expectations for Year 2 and used these targets to create fun maths games to play with the children. A great time was had by all!
